## **SEPTENI HOLDINGS Determines FY9/20 Dividend**

SEPTENI HOLDINGS announces that it has determined the amount of dividends to be paid from retained earnings to shareholders on record as of the base date of September 30, 2020, during a meeting of the Board of Directors held today. Details are as follows.

### 1. Reason for the Determination of Dividends

The Company considers returns to shareholders as one of its most important management issues. With regard to the distribution of retained earnings, it has been implementing a flexible and proper distribution of profits, factoring in its consolidated financial results for the respective business years, financial bases, and future group business strategies, among other factors. Under the established policy of paying an annual dividend of 2 yen per share at minimum, it decides dividends to maintain a payout ratio of approximately 15% to profit attributable to owners of the parent.

In consideration of the above, the Company has decided to pay 2.00 yen per share for year-end dividends for the fiscal year ended September 30, 2020.
