**FTSE Blossom  
Japan Index**

**FTSE Blossom  
Japan Sector  
Relative Index**

Created by the global index and data provider FTSE Russell, both indices are designed to measure the performance of Japanese companies demonstrating strong Environmental, Social and Governance (ESG) practices. Furthermore, these indices have been adopted as ESG indices by the Government Pension Investment Fund (GPIF), the world’s largest pension fund that promotes ESG-conscious investment. The Company has been selected for three out of six ESG indices adopted by GPIF for domestic equities: the “FTSE Blossom Japan Index”, “FTSE Blossom Japan Sector Relative Index”, and “Morningstar Japan ex-REIT Gender Diversity Tilt Index.”

The Company believes that contributing to the resolution of social issues through corporate activities is what is required of the company by stakeholders in order to realize the mission “To inspire the world with entrepreneurship” and the group vision, and the Company is promoting sustainability activities. In sustainability activities, the Company has set the Group’s mission and vision as the basic policy, and is actively promoting activities with the aim of achieving sustainable growth of the Group, enhancing corporate value, and realizing a sustainable society.

\*FTSE Russell confirms that SEPTENI HOLDINGS CO., LTD. has been independently assessed according to the index criteria, and has satisfied the requirements to become a constituent of the FTSE Blossom Japan Index and FTSE Blossom Japan Sector Relative Index. The FTSE Blossom Japan Index and FTSE Blossom Japan Sector Relative Index is used by a wide variety of market participants to create and assess responsible investment funds and other products.
