- Notes: 1. The Company has applied IFRS since the fiscal year ended September 2016. Figures for the fiscal year ended September 2015 based on IFRS are
  - 2. Following the sale of part of shares of AXEL MARK INC. held by the Company, on November 10, 2016, this company and its subsidiaries have been excluded from the scope of consolidation, and as for the trends in profit and loss for the 25th and 26th terms, the comparative periods, the said business was reclassified as discontinued operations and retrospective adjustments were made.
  - 3. Revenue is disclosed here as an IFRS-based indicator instead of traditional net sales, which the Company discloses separately as reference information on a voluntary basis. Only the net margins of advertising agency sales, which account for the majority of the revenue of the Internet Marketing Business, are reflected as revenue from this business.
  - 4. Non-GAAP operating profit is disclosed on a voluntary basis to present actual business conditions more appropriately. Non-GAAP operating profit refers to the profit indicator used to assess ordinary business conditions after adjustments are made to IFRS-based operating profit pertaining to temporary factors such as the amortization of intangible assets, impairment losses, and gains or losses on the sales of fixed assets, which are recognized when acquiring subsidiaries.
  - 5. Figures material are rounded to the nearest unit.
  - 6. The Company implemented a 5-for-1 stock split of its common stock on October 1, 2016. EPS and BPS in the above table are calculated on the assumption that the stock split was implemented at the beginning of the fiscal year ended September 2015.
